# SAMPLE LETTER

JUN 04 2002

Dear :

In accordance with Article I.13 (k) of the Standard Contract for Disposal of Spent Nuclear Fuel and/or High-Level Radioactive Waste, the Department of Energy has evaluated the National average Adjustment Factor (NAF). Based on the results of this evaluation, the NAF will remain unchanged at 0.950.

A generic version of this letter, along with all future regular correspondence, can be found on the Office of Civilian Radioactive Waste Management's website, [www.rw.doe.gov](http://www.rw.doe.gov), under the Waste Acceptance and Trans icon. If you have any questions on this matter, please contact Mr. David Zabransky on (202) 586-9198.

Sincerely,

A handwritten signature in black ink, appearing to read "Herbert Watkins", is positioned above the printed name.

Herbert Watkins,  
Contracting Officer  
Office of Headquarters
